## THE THEATRICAL EVENT OF THE SUMMER

**JULY 14 - AUGUST 6, 2022**

Thrown Stone's 2022 season will feature **two New England premieres** in repertory. Both plays candidly and poignantly explore the absurdity, the agony, and the swagger of adolescence and athletics — from a girl's point of view. Directed by Tracy Brigden.

### ***Athena*** by Gracie Gardner

Mary Wallace and Athena are brave, and seventeen, and fencers, and training for the Junior Olympics. They practice together, they compete against each other, they spend their lives together. They wish they were friends.

### ***Hysterical!*** by Elenna Stauffer

It's the Bandits' best year EVER! Until... one by one, the cheerleading squad succumbs to a mysterious illness. As the traditional pecking order is upended, the girls' relationships are tested. *Hysterical!* addresses serious subject matter, examining the vulnerabilities of teenage girls and the poignancy of life on the cusp of adulthood.
