Thrown Stone is back with our first Off-Broadway production in 2026. After launching our new home at The Crystal Theatre in South Norwalk, CT last year, we're taking *The Waterfall* to New York this winter, presenting *The Good District* at The Crystal this fall, and hosting our 2nd Annual **CT Short Play Fest**.

As Connecticut's only professional theatre exclusively dedicated to new plays from commission to development to production, we're creating opportunities for our partners to help tell the stories of today and tomorrow.
